

Supported Rides (SR) 2022

Rochester Bicycling Club
rochesterbicyclingclub.org

Rochester Bicycling Club (RBC) welcomes riders to SUPPORTED RIDES (SR), a less demanding series of rides. All rides are under 30mi with some suitable for families with children. Riders under 18 must be accompanied by an adult. Ride maps will be provided where needed. We ride as a loose group that will pause to regroup from time to time. We have selected rural and low-volume roads, as well as bicycle paths.

These rides are designed for those who want to ride with a group, develop their riding skills and not be left behind. RBC can help you achieve the skills you need to ride with confidence. To enjoy these rides, it is necessary to be physically conditioned and able to cycle for 2 hours at about 10-12 mph over some possible rolling terrain.

These rides have a NO RIDER LEFT BEHIND policy. The ride leader stays at the rear and can help with minor mechanical breakdowns, other problems, and offer encouragement and support. As you develop your riding skills, you will want to challenge yourself with longer rides, faster rides, and hills. "The more you do, the more you can do." In general, cycling experience and self-sufficiency are expected. Always bring a spare tube and water bottle. **Safety is our first concern; helmets are strongly encouraged.**

The **SR** rides and all of the other RBC rides are on Meetup. Be sure to check there for any updates as they approach.
