

RESPECT

Bicyclists,

please treat drivers with respect.

- Bicyclists are traffic and MUST follow the rules of the road.
- Pay attention to the movements of motorists and pedestrians.
- Obey stop signs and red lights. They apply to you too.
- Ride to the right with traffic. Ride single file.
- See and be seen. Use bike lights and visible clothing, especially at night.

Keeping our roads safe is a SHARED RESPONSIBILITY.

Remember, someone you care about drives a vehicle.

Don't turn your bike ride into a tragedy.

Please treat drivers with respect.

RESPECT

Drivers,

please treat bicyclists with respect.

- Bicyclists are traffic and have the legal right to ride on the road.
- Pay attention to the bicyclists and don't drive distracted.
- Pass only when necessary, slow down, and give 3 feet of space.
- Let bicyclists clear intersections before making right turns.
- When turning left or entering a roadway, yield right-of-way to oncoming bicyclists as you would to any driver.

Keeping our roads safe is a SHARED RESPONSIBILITY.

Remember, someone you care about rides a bike.

Don't turn your drive into a tragedy.

Please treat bicyclists with respect.
